

**Ramsey Public Education Foundation (RPEF)
Information on Becoming a Trustee**

RPEF Trustee Questions and Answers (Please see website for further information, <http://www.ramseypef.org/mission/>)

How long is the term for a RPEF trustee?

3 years

What is the monthly/weekly time commitment when you are on the RPEF Board?

- The board meets once a month (September through June) in the evening for meetings, which are generally 2 hours long.
- In addition to meetings, trustees work individually, in small groups and as a collective to plan, organize and conduct our events.
- Trustees are involved in every aspect of running the RPEF organization and there are many ways to get involved while on the board. Therefore, your time commitment depends, to a certain extent, on your level of involvement.

What are the RPEF events?

- The two major events are the Ladies' Night Out (mid October) and the RPEF Family Run (mid May).
- RPEF holds other smaller events throughout the year and we are also open to new ideas for events in the future.

What is the workload as a trustee?

- Leading up to our two major events, the workload is greater and all trustees are required to solicit businesses to support and sponsor our events.
- The workload outside of these events is significantly less and will depend on your RPEF committee involvement.
- Many of the members of the RPEF have full-time jobs and are able to fulfill their RPEF duties without interrupting their work schedules.

What are the benefits of being on the RPEF board?

- Contributing to innovative new and existing programs for the Ramsey public schools means that our children and the community as a whole benefit greatly.
- Working with a group of dynamic, creative, dedicated and intelligent individuals is very rewarding.

**Ramsey Public Education Foundation
Trustee Application**

Thanks for your interest in serving on the Ramsey Public Education Foundation Board. If you would like to be considered for a Trustee position on the Ramsey Public Education Foundation, please send the following information to Lauren Schreiber (laurenschreiber@gmail.com) by April 14, 2017.
